NOTES:

- 1. N.C. means no connection to this pin.
- 2. This means "to sheet 2".
- 3. This means "from sheet 1".
- 4. This represents pin 3 of connector J43.
- 5. Signal flow is from left to right.
- 6. Resistance values are in Ohms.
- 7. This is a small hole and does not require a short, exposed outer layer trace.
- 8. This is a small hole and does not require a short, exposed outer layer trace.
- 9. This represents a mounting screw of connector J43.
- 10. This is a (unpopulated) pin connector, not signal pins.
- 11. Asterisk suffix denotes active-low signal.
