*  
*      Please note!  
*  
*      The system will be down from 10:00 P.m. tonight  
*      (Thursday 3/17/83) until about 10:00 a.m. Friday  
*      morning during a scheduled Power outage.  
*  
*  
*                      E. M. Shank  
*  
*      P.S. Bob Kessel suggests that it may be appropriate  
*      to convene a special session of the KU fluid  
*      dynamics seminar immediately following the  
*      shutdown of the system. See him for details  
*      (if any).  
*
